Luis,
Yes and yes.

The Water SME team leader needs to be on 10 o'clock call and

we definitely have a need for Bessie to help with the Resource Unit Leader position next week.
Let her know to connect with Tana and Abi.

Thank you!!

For Souder it would be beneficial to make sure we have continued support for the 1000 call.

Not necessary for the Gold King schedule, but is it possible to give us the number of someone if there is an urgent request or need?

Hi All,

First, do you see the need for Water Division to be involved in the calls over the weekend?

Second, Bessie Lee has expressed interest in serving in the resource unit next week. Is this assistance an expressed need?

Thanks,

-Luis
